WOODMATTERS

CARPENTRY

## WHO ARE WE?

Founded in 2014, WoodMatters is located in Goodlands. Our team is made up of 18 skilled and experienced craftsmen.

We are based in the premises of Historic Marine, specialized in wooden ship models and marine furniture since 1982.

## WHAT WE DO?

WoodMatters started by renovating, restoring and maintaining hardwood strip parquet and wooden decks.

Experience acquired through renovations has given us a solid «savoir-faire».

With a growing demand from our customers we started to build our own:

- Decks
- Wooden floors
- Roof structures
- Cladding
- Thatch roof
- Pergolas
- Shingle Roof (Bardeaux)

## WHY WOODMATTERS?

We established WoodMatters with one simple idea: to bring you premium-quality, fully custom wood solutions in effective time, at competitive prices.

Our target is to always provide the best craftsmanship and reach the highest end results at affordable prices. Our goal is to always get full customer satisfaction.

Our staff are fully trained with many years experience in wood and carpentry.
